SUMMARY

Full stack developer with 8 years of experience, specialized in web and mobile frontend. TypeScript-centered stack: React and Next.js on web, React Native on mobile, Node.js with Express and NestJS on the backend, with Docker, CI/CD and AWS as part of my daily work. I have worked with teams and clients from the US, Spain, Chile and Argentina, both leading teams and as a frontend architecture consultant. Professional English (C1 certified).

EXPERIENCE

- Frontend & Architecture Consultant
INDEPENDENT · REMOTE JAN 2024 · PRESENT
I advise around four product companies, defining their frontend architecture and engineering standards. I design secure authentication flows (JWT with refresh token rotation) and REST integrations, and set up estimation processes, SLAs and release control, working directly with teams and stakeholders.
- Mobile Developer
DATAART · NEW YORK, USA (REMOTE) JAN 2023 · PRESENT
Over ten projects delivered: product websites and cross-platform mobile apps (React, Next.js, React Native) for travel and consumer-goods clients. I work in agile teams alongside backend, QA and product managers, focused on performance, code quality and a smooth experience across web, iOS and Android.
- Frontend Developer
GAIA · SPAIN (REMOTE) JAN 2021 · DEC 2021
CRMs, ERPs and management systems for dental and legal practices, plus a web and mobile app for port management in Spain. Responsive design, clean component architecture and a consistent cross-device experience.

- Full Stack Team Lead
SEEKITUP · BUENOS AIRES, ARGENTINA (REMOTE) JUL 2019 · DEC 2020

I led the development team of a mobile app for saving and organizing links. I coordinated technical decisions, code reviews and sprint planning while actively coding on both frontend and backend with React and React Native.

- Full Stack Developer
EWAFFLE · CHILE (REMOTE) JUL 2018 · JUN 2019

I designed and built an online learning platform end to end together with the design and product teams, covering frontend and backend, with refactoring, performance improvements and documentation for the team.
